

Sussex County Charter School for Technology SUMMER ENRICHMENT PROGRAM

- ❑ Is your child a struggling reader? Do they dread math because they think it's too hard?

THIS PROGRAM IS FOR YOU!

- ❑ Is your child reading at grade level and has a passion for literature? Do they need to practice math skills and reinforce their knowledge through the summer?

THIS PROGRAM IS FOR YOU!

- ❑ Is your child an advanced reader looking for a challenge?

THIS PROGRAM IS FOR YOU!

OBJECTIVE: To enhance every child's love of reading literature and engage even the most resistant or readers; and combat the inevitable "summer loss" of math skills due to lack of practice during the summer.

- ❖ Free 6-week program
- ❖ 3 days a week for 3 hours a day
- ❖ Reading, math, basic skills enrichment for ALL levels
- ❖ Individualized instruction

During this 6 week enrichment program, both special and regular education teachers will offer instruction based on individual needs and interests. Following a brief reading level and basic math concept assessment, students will be divided into appropriate groups in order to tackle various forms of literature and basic grade level math concepts in a variety of fun and interesting ways.

Please complete the registration form (available in the main office as well) and return to the school office on or before Friday, June 16th. Any questions can be made by contacting Hillary Kotlarz at hkotlarz@sussexcharter.org or Jeanne Sevean at jsevean@sussexcharter.org or by calling the Charter School at 973-383-3250
