[‡]Consider cognitive evaluation or baseline neuropsychiatric testing if a history of significant concussion.

- Cleared for all sports without restriction
- Cleared for all sports without restriction with recommendations for further evaluation or treatment for _____
- Not cleared
- Pending further evaluation
- For any sports
- For certain sports _____
- Reason _____

Recommendations _____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, a physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

Medication Administration During School**

This form must be completed fully in order for the school to administer required medication. A new medication administration form must be completed at the beginning of each school year, for each medication, and each time there is a change in dosage or time of administration of a medication.

- *Prescription medication must be in a container labeled by the pharmacist or provider.
- *Non-prescription medication must be in the original unopened container with the label intact.
- *An adult must bring the medication to the school.
- *The school nurse (RN) will call the prescriber, as allowed by HIPAA, if a question arises about the medication.

Prescriber's Authorization

Student Name: _____ DOB: _____
Condition for prescribed medication: _____
Medication Name: _____
Dose: _____
Route: _____
Time/Frequency of administration: _____
Side Effects: _____
Start Date: _____
End Date: _____

____ I certify that the above named student is capable of and has been instructed in the proper administration of this medication. I recommend this student be allowed to carry and self-administer this medication for his/her life threatening condition. (NJSA18A:40-12.3)

____ Student is not capable of self-administering medication for his/her life threatening condition and requires assistance.

____ This medication is not for a life threatening condition. Medication shall be held and dispensed by the school nurse.

Physician Signature: _____

Date: _____

Physician's Stamp

Parent/Guardian Authorization

I give my permission for the above medication to be administered to my child, either by self-administration or administration by the school nurse, as indicated by the above physician. I certify that I have legal authority to consent to medical treatment for the above named student, including the administration of medication at school. I understand that at the end of the school year, an adult must pick up the medication, otherwise it will be discarded. I authorize the school nurse to communicate with the healthcare provider as allowed by HIPAA. I hereby relieve the Board and its employees of any and all liability that may result from the administration, either by self-administration or administration by the school nurse, of this medication to my child.
