

SUSSEX COUNTY CHARTER SCHOOL FOR TECHNOLOGY

Please note failure to return to this form within 10 days will constitute consent.

From time to time we have reporters and/or photographers from local and state newspapers, or from organizations interested in charter schools, present in the school. Additionally, throughout the course of the year, various press releases and articles are sent to local and state newspapers to publicize and celebrate events, activities and accomplishments of our school. As a matter of policy, we do not allow students to be interviewed or photographed without parental permission.
